

Liu Rodrigues, Kevin

Personal data

Phone: +55 19 99732 6791

E-Mail: kkevin.liu@gmail.com

Birth date: 09/05/1990

Portuguese: Mother tongue

English: Fluent (written & spoken)

Education

2016–Present	Federal University of Minas Gerais Ph.D. in Statistical and Computational Physics
2018-2019	One year exchange program at the University of Michigan to carry on Ph.D. research
2012–2015	State University of Campinas MSc in Experimental Solid State Physics
2008–2012	State University of Campinas BSc in Physics
Extra disciplines	Federal University of Minas Gerais: Artificial Intelligence, Phase Transitions, Statistical Physics, Neuroscience Coursera: Introduction to Machine Learning, Using Python to Access Web Data, Bayesian statistics

Experiences

2016–Present	Ph.D. in Statistical and Computational Physics
2018-2019	Exchange program for Ph.D. students at the University of Michigan.
2017–2019	Data scientist at Olivia Ai Inc.
2015–2016	Project Engineer at Hewlett Packard funded lab at University of Minas Gerais
2010–2012	Scientific Initiation
2012–2014	Voluntary Math Teacher

Skills	Physics, C, C++, Python, Math, Github
---------------	---------------------------------------

Events

07/2017	Fundamental Problems in Statistical Physics, Summer School in Bruneck, Italy.
2013/2014	36th and 37th National Encounter for Condensed Matter Physics
2011/2012	Physics Summer Schools at University of São Paulo and Recife
